Privacy Policy

In an effort to maintain our commitment to be as sustainable as possible and to remain effectively efficient, please review the [Policies and Disclosures](#) for communicating with A Paradise Company and her associated brands.

Comments

When visitors leave comments on our site, we collect the data shown in the comments form, as well as the visitor's IP address and browser user agent string to help with spam detection. An anonymized string created from your email address may be provided to the Gravatar service. After approval, your profile picture is visible to the public in the context of your comment.

Contact Forms

We store user input data sent through the contact forms on this website, along with meta information about the submissions, such as the time stamp, origin IP address, and user agent. This information is stored indefinitely for reference.

Cookies

We use cookies to enhance user experience. You may opt-in to saving your name, email address, and website in cookies.

Embedded Content

Articles may include embedded content from other websites, which behaves as if you visited the other website. These websites may collect data about you.

Third-Party Services

We use various third-party services like Google Analytics and Facebook Pixel for analytics and user interaction tracking.

How Long We Retain Your Data

We generally store information about you for as long as we need it for the purposes for which we collect and use it.

What Rights You Have Over Your Data

You can request to receive an exported file of the personal data we hold about you. You can also request that we erase any personal data we hold about you.

Where We Send Your Data

Visitor comments may be checked through automated spam detection services.

Your Contact Information

For privacy-specific concerns, please contact Legal@Intenovate.io .

How We Protect Your Data

We use SSL encryption and limit access to personal information to a select few team members.

Data Breach Procedures

In the event of a data breach, we will inform affected individuals within 72 hours and keep a record of all personal data breaches.

This privacy policy is subject to change and should be reviewed periodically.
